SportTRAX

Your Best Choice for Indoor Running Track!

Slip-resistant and impact absorbing, SportTRAX's durable textured finish provides safe and sure footing. SportTRAX is manufactured with a dual layer of vulcanized rubber with a tough leather textured EPDM rubber top layer. SportTRAX comes in 4' x 30' rolls 5/16" thick (1.22 mm x 9.14mm x 8mm - all dimensions have a .5mm tolerance).

Tough, Attractive and a Great Performer!

SPORTFLOOR®
