

THE SHAPE OF THINGS TO COME

TERRA CORE

BE DIFFERENT

Humans are social by nature- The Terra Core is effective by Design..

"Without a doubt the Terra core is the most versatile piece of equipment I have ever used, it offers so many possibilities, mental and physical plateaus are a thing of the past. Group -X will never be the same"

-Heidi Carrigan, personal & group trainer

Love it

It's a Step, it's a balance trainer, it's a multifaceted Group-X machine, It's the soul mate of resistance bands, it's over 250 exercises (and counting) It is the shape of things to come. Getting in shape is just as much about staying engaged and excited as anything else. The Terra Core is virtual aerobic playground, building strength, balance agility, like nothing you have ever used. It is designed to fit the body's natural shape and provides you enough real estate to accommodate any modality you can dream of.
